

MODULAR LAB PRODUCTS

Core Products

- Casework
- Workbenches
- Carts
- Fume Hoods
- Chairs
- Countertops
- Table Tops

Countertops

- Epoxy Resin
- Phenolic Resin
- Stainless Steel
- ESD Laminate
- HDPE
- Maple Block
- Solid Surface

Instrument Carts

- Mass Spec
- Gas/Liquid Chromatography
- Pyrolysis
- Imaging
- BSL 2 and 3

Materials

- Cold-Rolled Steel
- 316 Gauge Stainless (4)
- Powder Coat
- Wood
- Plastic Laminate
- Melamine

Who We Work With

- Architects
- General Contractors
- Scientists
- Landlords

Casework

- Sitting, Standing, ADA, and Custom Heights
- Custom Colors and Finishes
- Soft-Close Hinges
- Acid and Flammable Cabinets
- Tall, Base, Wall-Mounted, Custom

Fume Hoods

- Ducted and Ductless
- Biosafety Cabinets
- Calorimetry Enclosures
- Cleanroom Enclosures

Workbenches

- ESD/Semiconductor Production
- Packing Stations
- Industrial and Production
- Fully Adjustable and Modular
- Any Accessory
- Custom Colors
- Power, Plumbing, and Data

WORKING WITH US

Our 50,000 square foot Elgin, TX facility is ideal for supplying central Texas architects, contractors, and scientists with fast and flexible design and custom manufacturing services. With over a decade of experience as a manufacturer, and access to a vast network of additional equipment providers, we are a one-stop-solution for partners seeking to expand their laboratory capabilities.

TYPES OF LABS WE DESIGN AND BUILD

- Generic Wet Chemistry
- Generic Biology & Life Science
- Generic Computational
- General Materials Science
- General Characterization
- General & Specialized Nanotechnology
- General Analytical (GC, MS, etc.)
- Genetic Research
- Animal Research
- Hot Lab/Radiation
- Cleanroom
- Cannabis Testing
- Dental/Medical
- Oil & Gas
- GeoChemistry & GeoMechanical
- Pyrolysis Laboratory
- Core Analysis Lab
- Molecular Spectroscopy
- Dedicated NMR
- Dedicated Process Chemistry
- Dedicated Organic Chemistry
- Catalyst Research and Production

SERVICES WE OFFER

- **Revit Support and Design Services**
- **Complimentary On-Site Visits**
- **Installation, Demolition, and Removal**
- **Serving the US and Abroad**
- **Competitive Pricing and Lead Times**
- **Approved GSA Vendor**
